**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an elderly woman who depends on my computer and my telephone service to keep in touch with family, make purchases and get news. Right now there are few providers available to me but top quality Sonic which has fiber in our area is reasonable for my budget!

Right now there are just a few providers in my area that are all more expensive and have features that I'm not interested in or wish to pay for.

Above all, please maintain competition in this vital field as it materially affects all of us.

Thank you!
